## Latest Quotations in the Portland Markets.

Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

PORTLAND, May 11.—There is a considerable falling off both in supply and quality of strawberries from California, but fortunately for Oregon consumers of the luscious fruit the state to the south is not depended upon for present supplies.

Fruit from the Roseburg section has been in the market for the past week in fairly good supply, and according to a special dispatch printed elsewhere in this issue, the berries are on the market from Benton County gardens.

By the middle of next week Hood River fruit will be in full supply, a few crates of the earlier variety already appearing on this market and at Seattle.

Thirteen states and territories of the Middle West are traversed by Rock Island lines. There are more cities of 25,000 population and upwards on the Rock Island System than on any other Western road! From Minnesota to Texas, from the Rocky Mountains to the Great Lakes, it is Rock Island country. The Rock Island System occupies a strategic position in the western railway world.

Going somewhere? Get a Rock Island folder and study the map—ten to one your destination is on the Rock Island or reached by way of it.
